

Typical Weekday NYC Subway Service Diagram

The diagram shows two vertical bars, one red and one blue. Each bar has two white square boxes. A solid horizontal line connects the top boxes, and a dashed horizontal line connects the bottom boxes. To the right of the bars, the text "Free Transfer Connection" is written in black.

Skipped Stations*
Does not stop all-day

<F> Express Skips
2 Rush Hour Trains / day

5 Service Extended
A Rush Hour Peak

**Rush Hour Peak
Skip-Stop Pattern (J/Z Train)**
Z stops, J does not
